Alternatively, if the Government and I agree that such a special re duction of the charges for the supply of energy would, on account of othe factors, result only in a temporary variation, or that the reduction woul be negligible, the recorded amount will be placed by me to Reserve to be called the "Rates Stabilisation Reserve" and this reserve will be taken f fully and fairly into account in determining the magnitude of any subseq- uent revision of War Cost Surcharges or charges for supply of enrgy whet- her upwards or downwards.
